I had received my medical diploma and before going home called on one of the lectusers, the famous surgeon, Dr. had roined my career at the start. I Coleman Coyle, to say goodby. I had been quite a favorite with the doctor, and he had occasionally been a help to me. Besides, he was an intimate friend

of my father. "Billy," he said to me, "I hope you'll succeed in the profession, but you won't unless you have luck."

Why, doctor, I'm surprised. Everyhand warmly. body knows that you have worked yourself up to your present high posi-

tion by your own unaided efforts."
"Everybody knows just nothing about it. Sit down there, and I'll tell you a story. You're a man now, and It won't injure you. On the contrary, It may teach you not to be too self reliant and have due respect for luck. And who knows how far luck means providence. And providence often works through channels that are surprising to us mortals.
"When I was where you are now I

was obliged to start in a small town. While I was studying I was ambitious for what I have now, but as soon as I struck that town my heart sank with-in me. And I hadn't been there a conth before I was glad to attend a corse with the blind staggers to get a few dollars. I managed to eke out snough to pay for a room in a garret and one or two cheap meals a day. Surgery! Why, there never was but one surgical case in the town,

"One day my old friend George Phil- A Sailor's Trying Experience With Shiplips came through the town and looked me up. We had been at the medical school together and had a let to talk of a cyclone on a bamboo raft and an ex-George invited me to do the istence of three weeks on turtle eggs talking in a restaurant, and we spent and iguanas are some of the experiences man and couldn't stand the liquor I took in on that one occasion. George, When the lugger broke up, Captain who was more used to ft, took me to who was more used to ft, took me to who was more used to ft, took me to who was more used to ft, took me to be who was more used to ft, took me to who was more used to ft, took me to be who was more used to ft, took me to be who was more used to ft, took me to be who was more used to ft, took me to be who was more used to ft, took me to be who was more used to ft, took me to be who was more used to ft, took me to be who was more used to ft, took me to be who was more used to ft, took me to be who was more used to ft, took me to be who was more used to ft. That Mr. and Mrs. Morse should be devising means to spare themselves the expense of a few dollars will probably band as they rode away.

everything in the room was circling. While I was valuly trying to find the shoestring of my boot I heard a violent ring at the doorbell below, and presently my landiady came up in a turtles and alligators were numerous.

Wrapper and said something which startled though it didn't sober me.

Tohn Overaker, the only rich man in the town, had been taken violently ill and I was wanted immediately.

"Here was a terrible situation. My first chance had come and I was hopelessly drunk. I caught at my coat when it came round, managed to get it on, accidentally jammed my hand against my hat, got it on and staggered downstairs. I succeeded in getting to the Overakers, rang the bell and was admitted by the only member of his family, his daughter Ethet.

"'Oh, doctor,' she said wildly. I didn't hear what she said. I learned ft afterward. 'I fear it is apoplexy. Mother died of apoplexy, and I know it by the snoring. Father was brought home by two friends, who put him in his room and left him. I sent for our regular physician, but he is out of town, so I sent for you.'

"While she was giving me this information I held on to the wall with one hand and looked at her without speaking. When she had finished she speaking. When she had innished she
led me upstairs. I knew enough to
get her out of the room, and to do so
looked at her and put my hand on the
